- #3 container..... 34.95
- #5 container..... 44.95

SILVER SPIKE GRASS

(*Spodiopogon sibiricus*)—Also known as Frost Grass. Compact size and a handsome habit make this attractive grass an excellent choice. Bold, bamboo-like foliage and airy, narrow panicles that are held well above the foliage create a dramatic effect when outlined with frost late in the season. Height 4-5', spread 3-4'.

SWITCH GRASS

Dallas Blues Switch Grass

(*Panicum virgatum* 'Dallas Blues')—Steel blue foliage topped with pastel-mauve flower heads in the fall. One of the best for blue color. Extremely hardy selection. Height 6-8', spread 3-4'.

- #1 container..... 13.95
- #3 container..... 34.95

Heavy Metal Switch Grass

(*Panicum virgatum* 'Heavy Metal')—Clumping, steel blue foliage on very stiffly upright plants. Adds a wonderful contrast to the landscape. Height 3-4', spread 2-3'.

- #1 container..... 13.95

NEW!—Northwind Switch Grass

(*Panicum virgatum* 'Northwind')—Sturdy, upright growth with steel blue stems and olive-green foliage. This is a taller-growing selection can reach 6' in height over the course of the growing season. Use in mass plantings for screening, privacy and background plantings. Height 5-6', spread 2-3'.

- #1 container..... 13.95

Shenandoah Switch Grass

(*Panicum virgatum* 'Shenandoah')—A tough selection of one of our native prairie grasses, this is one of the few red-foliaged grasses available that will survive our winters. Foliage is tipped with deep, blood-red highlights and seed heads share the same color late in the season. Wonderful reddish-purple fall color. Height 3-5', spread 2-3'.
